**IN THE DRAWINGS**

Please delete the complete set of informal drawings that were submitted with the application on March 1, 2002, and, in lieu thereof, please substitute the attached set of replacement drawings, which number 1/4 through 4/4. There are no substantive changes in the drawings, however, the new drawings are more legible and do not include extraneous shading and lines. The differences between the two sets are illustrated in red on a marked-up copy of each page of the original informal drawings, submitted herewith. Each such page is identified as an "Annotated Sheet" per 37 C.F.R. § 1.121(d)(1).

Entry of the drawings changes is respectfully requested to improve the readability and legibility of the drawings.
